VIXEN & LIZZY

Soon we'll all be thinking about those New Year's resolutions we will never stick to. We're pretty sure that if we came face-to-face with Vixen and Lizzie at the gym come January we'd work extra hard at it though – quite literally. "Working out is so much fun, especially when you're naked," Vixen tells us. "I do squat thrusts over Lizzie's face while she laps up my soaking wet slit! And you've got a pal to shower with at the end of it all!"

STRAYING ON TOP OF THINGS

My other half, Tom, and I went off to get some winter sun recently.

We managed to agree on the resort, but he's into activity stuff while I'd rather shop and sunbathe. But when he blew out coming into town with me because he wanted to go jetskiing, I got pissed off.

I didn't go looking for trouble, but when David chatted me up, I didn't put up any resistance!

He was a big, strapping lad, a local, and I'd already had a couple of lethal cocktails.

As he gave me some chat, I didn't mess about – we only had a few hours. I reached forward and stroked the bulge in his shorts, then told him to follow me to my room.

Ten minutes later we were necking on the bed. All I had on was a sarong and my bikini, and they didn't stay on for long. I loved his big, hard body and he loved feeling me up, too, especially my tits. Every time I tried to move his hand in between my legs, he'd just give me a quick diddle, then grope my tits again, streaking them with sticky wetness. In the end, I just gave up, humping my wet snatch up against his leg as I fondled and wanked his hard-on.

I wanted fucking so he laid me down on my back, bringing my legs up on his shoulders for a deeper screw.

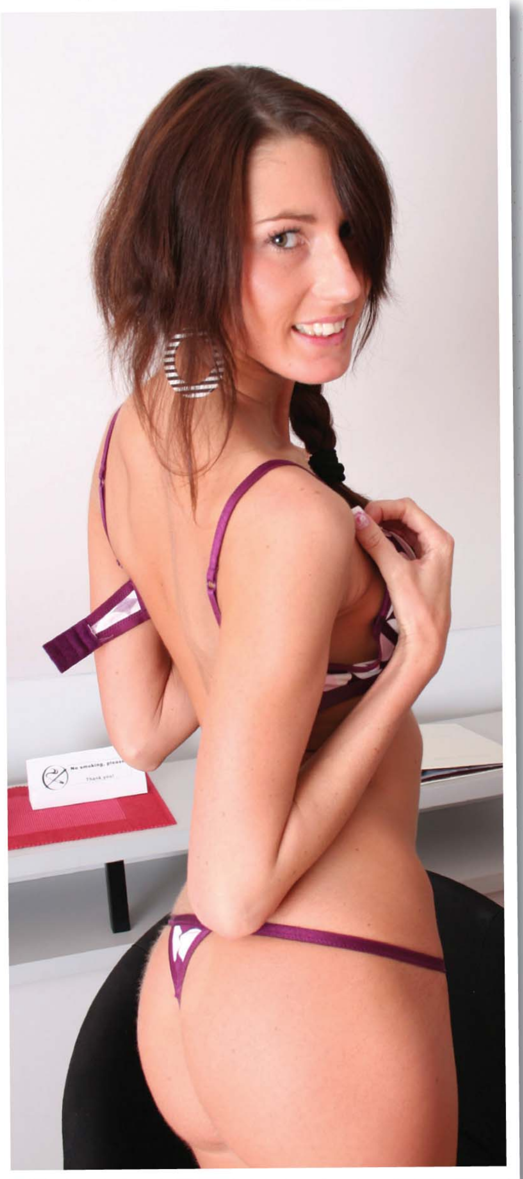
It also meant he could play with my tits. Just the sight of him was horny, his fat, dark cock opening up my tight, pale pussy.

Tom isn't scared to fuck me hard, but he's quite lean and athletic. This guy was more stocky and putting his weight behind every thrust, like he was pounding me into the mattress.

I could hardly move a muscle, bent double, but that just made me even more aware of the tool ploughing my pussy.

I started cumming and told him to suck harder on my boobs. He got a good mouthful of tit as his knob ploughed me. I also managed to get a hand on my clit and, as I fingered it, I started to cum so hard...

He just kept pumping me relentlessly and my second cum was even more powerful.



> **“He went down on me, drooling spit all over my arsehole, getting me hard for his dick.”**

My cunt was still throbbing hard as he shot his load, his back arching to really fuck it into me and hot spunk washing all inside my hole.

We had a bit more of a snog, and I allowed him one final fondle of my tits before I said he'd better leave. I didn't feel that bad for using him – it wasn't like he wouldn't find more willing pussy around the resort.

I didn't feel that guilty about Tom, either.

We'd both played away in our time so it wasn't that big a deal. I was still in the room when he got back – I told him I'd had a couple of drinks and needed a nap. But he knows what I'm like, and when he saw the fucked state of my cunt, and a faint little love bite on my tit, he sussed out exactly what had happened while I was out.

I came totally clean, knowing he'd probably be turned on rather than pissed off. He laid on the bed, fingers creeping towards my crack as I gave him the horny details. Then he went down on me, drooling spit all over my arsehole, getting me hot for his dick.

I moaned as it slid in – a stiff reminder of why he was still the horniest bloke I'd ever fucked – and he just buggered me slowly, the pair of us buzzing from the fun we'd had earlier that day.

He came deep in me, then tickled my clit as he watched the spunk trickle out down out of my arsehole and over my folds. And just before he made me cum, he had me promise that, no matter who I let plunder my cunt, my arse would always be his alone.

LIZZIE

Get busy with the Lizzie! Readers of a certain age may remember a breakfast TV fitness freak of this name who used to threaten early morning viewers with coronaries by insisting they jump around performing purgatorial exercise routines instead of pulling the duvet over their heads, masturbating before the snooze alarm went off again and eating their own body weight in black pudding (not all at the same time). "I'm a morning person too!" smiles this Lizzie. "But only for rampant sex, then back to a nice lie-in for me!"

Why was Noah the best businessman in the Bible?
He floated his stock while everybody else was being liquidated.

If Eve sacrificed the human race for an apple, What would she do for a Twix?!

Why do blondes take the pill?
So they know what day of the week it is.

There were three guys, Bill, John and Gary. They traveled all the way to the top of a mountain because there was a rumour of an old legend that if you climbed to the top you could jump off and have any wish you liked. So when they finally reached the top, John said to Bill: "Ummm...you know you were the one who made this possible so why don't you go first?". "No thats okay, you can go first John" Bill said pushing John off the side of the mountain. "AAAAAGGGHHHHH!!!"John yelled. "Quick make a wish Johnny-Boy!" Gary yelled out. "I-...I WISH I WAS AN EAGLE!" John screamed as he suprisingly turned into an eagle before their eyes. "YEAH!!! I'm an eagle! awesome... ummmmm...okay uh now how do you fly this thing?" he asked himself as he flew into a wall. The other two started to laugh. "Okay my turn!"Gary said. "hmmmmm..." He jumped off and said "I wish I could be a bat he said as he started to look at the sun. "Aaghh I'm blind! I'm blind!" "Stupid..."Bill said laughing. "Okay" He started to ponder when he slipped and fell off the side of the mountain. "OH CRAP!!!" When he landed, he turned into a pile of shit.

TRUE CON

A BIT OF IRISH FRISKY

> **"LILY GAVE A LONG LOW GROAN WHEN I PUSHED THE HEAD OF MY PENIS INTO HER WET AND WAITING PUSSY LIPS."**

I have been meaning to write to your mag for a long time now. I just love all your readers' letters in the adult mags. This is just one of the many stories from my past which I think your readers will enjoy, from when I lived in Holloway a few years ago.

I had been in the merchant navy since I was sixteen and never married. By the late seventies I had enough saved to buy the flat I was after for years.

Although I don't drink or smoke, I did a quick tour of the pubs to pick up somebody even if it was only for the night.

One Saturday I sat beside this middle-aged couple who I now know were called Tom and Lily.

They had no children, Lily was from London and Tom was a big Irishman working on the buildings.

As I chatted to them about my seaman days, Tom got up to get a drink for Lily and himself and brought me an orange. While he was getting the drinks in, Lily, who was sitting on my right, put her left hand on my knee and told me I was a nice young man and very handsome.

She also told me that she ran a dry cleaning service nearby and that if I brought my shirts to her Monday she would have them ready for me Friday at no cost.

As Tom was returning, Lily rubbed the front of my trousers, giving me a good hard-on, smiled and told me not to forget and that I wouldn't be sorry.

I was stunned because I had never experienced anything like this before.

Lily was not a looker with her dark hair and thin face, I noticed that she was bottom heavy with a big arse but had really good legs.

I love giving oral to a woman before giving her a good fucking with my thick eight-incher.

FESSIONS

It was several weeks before I took Lily up on her offer. I was working on the underground and doing a late shift that Monday so put six shirts in a bag and took them to Lilly.

There was a women chatting to Lily who left when I went in.

Lily followed her to the door, closing the door behind her, putting on the Yale lock and turning around the sign to say they were closed.

Lily took me into the back room where everything was washed, ironed and hung up.

Lily told me it was the only way she could have a quiet smoke for a few minutes.

To my amazement, she put her hand on the front of my trousers and began to massage my cock, I immediately became as stiff as a poker.

There was a long wide table against the wall which Lily did the ironing.

I grabbed Lily and laid her back across the width of the table, lifting her legs up to rest them against my shoulders.

She was wearing house slippers and nylons, her slippers came off with her knickers and I tossed them aside. I held Lily's knees apart and back to her chest to fully expose her pussy, which was really hairy.

Lily called me a naughty boy, as I began to sniff eagerly at her open fanny lips and exposed arse. My cock was nearly bursting out of my trousers as I gave Lily's fanny and bumhole a good licking.

I opened my trousers and pushed them down to release my cock and Lily gave a long low groan when I pushed the head into her wet and waiting pussy lips, ramming my full length up her.

The table was just the right height and I stood with my feet apart, thrusting hard into Lily for several minutes until I shot my load deep into her pussy as she reached climax.

Lily went to the toilet and came back, lighting a fag. I left her to it and went to work.

I had my shirts washed and ironed for free and a good fuck every Monday and Friday.

The Irish dance halls were in full swing then and I seldom left one without seeing a young Irish girl home. After a quick kissing session and a fingering, I usually managed to get my cock up her even if it was a quick knee-trembler in a doorway or down an alley.

They were great days!

"I'm a bit of a risk taker," Sophie reveals. "I've been having sex with my boss at work and I get a bit of a kick out of being fucked over his desk and then sitting back at my desk as if nothing happened. HAIR BARE BUNCH

Sian twigged pretty quickly that I found her hair a real turn-on.

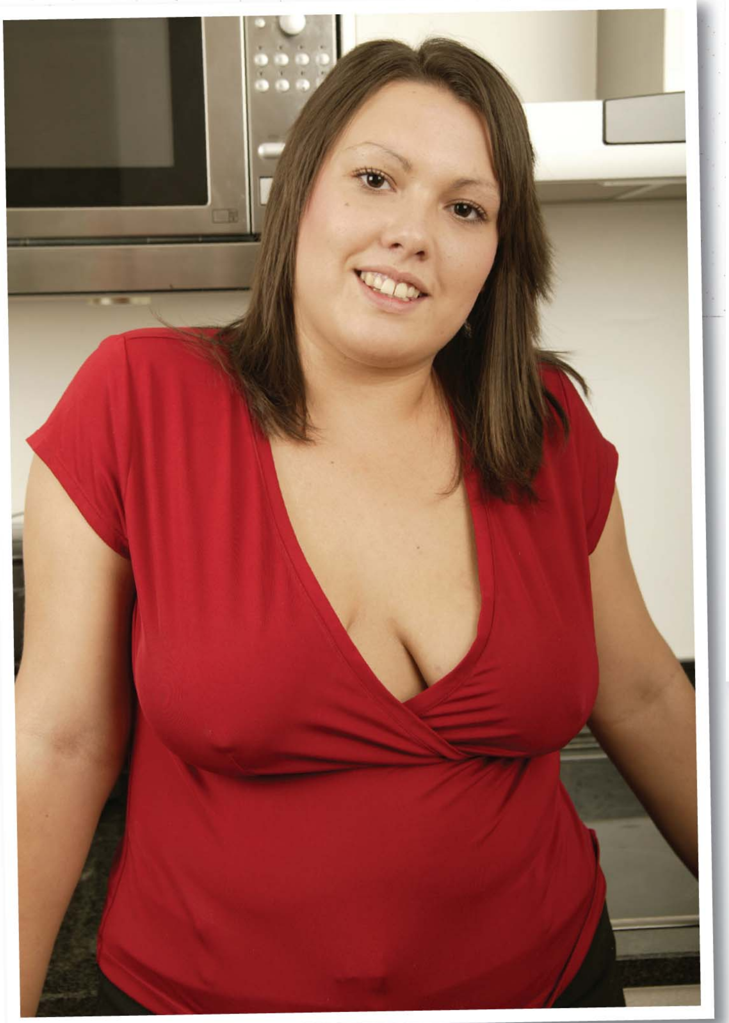
First off, she had me lying on my back, while she crouched over me and swished it over my body.

Feeling it sweep over my chest and belly was enough of a turn-on, and when she stopped, tossing it back so I could see her face framed by her now-messy locks, I knew I was in for a downright dirty treat.

Then she started brushing it over my cock and balls. I was already stiff as a post and this had me throbbing so hard it was almost painful.

What she did next was even more phenomenal.

I'd told her how I like a long-haired girl to put her hair up while she was sucking my cock, and let it fall down just as I was on the point of cumming. She said she knew a better trick – and I found out that it was wrapping strands of her hair around my shaft, then wanking me.



That was probably the sexiest experience of my life. She left my helmet free, so she could have a suck on that whenever she felt like it, and a wank from her, even without the hair, would probably rank as one of the best I've ever had. One hand was cupping and squeezing my balls, while the other ran up and down my prick.

Next up – it's making me hard just thinking about it again – she moved into a sixty-nine,

> "I just had to let go and my spunk spurted out, soaking into her hair!"

straddling my face with her gorgeous fluffy pubes, little clumps of them moist and sticky with her oozing fuck-juices. I didn't start sucking her straight away, I just buried my face in her crotch and breathed in her scent – it's so much stronger and sexier when it's soaked into a nice full bush.
At last, I took a little lick, just to get a taste of her, then sank my tongue deep in her hole. She started sucking my helmet hard, taking it right into her mouth, and even harder when I fingered her clit. I managed to bring her to one fucking juicy orgasm before I came too close to shooting my load.
Soon, though, I just had to let go and my spunk spurted out, soaking into her hair.
She unwrapped it and turned around to look at me, the wet strands I'd cum stringing over her blonde hair – and she started to rub them all over her face.
This was just the first of many horny things we tried - another high point was our first full fuck – I switched out the light but trained the reading lamp on our crotches, like a little spotlight. I'm quite dark and watching my black pubes and her natural blonde bush pr

my juice-soaked prick pumped in and out looked every bit as good as it felt.
She's probably my perfect woman! But you can share her!
Jason, Exeter.

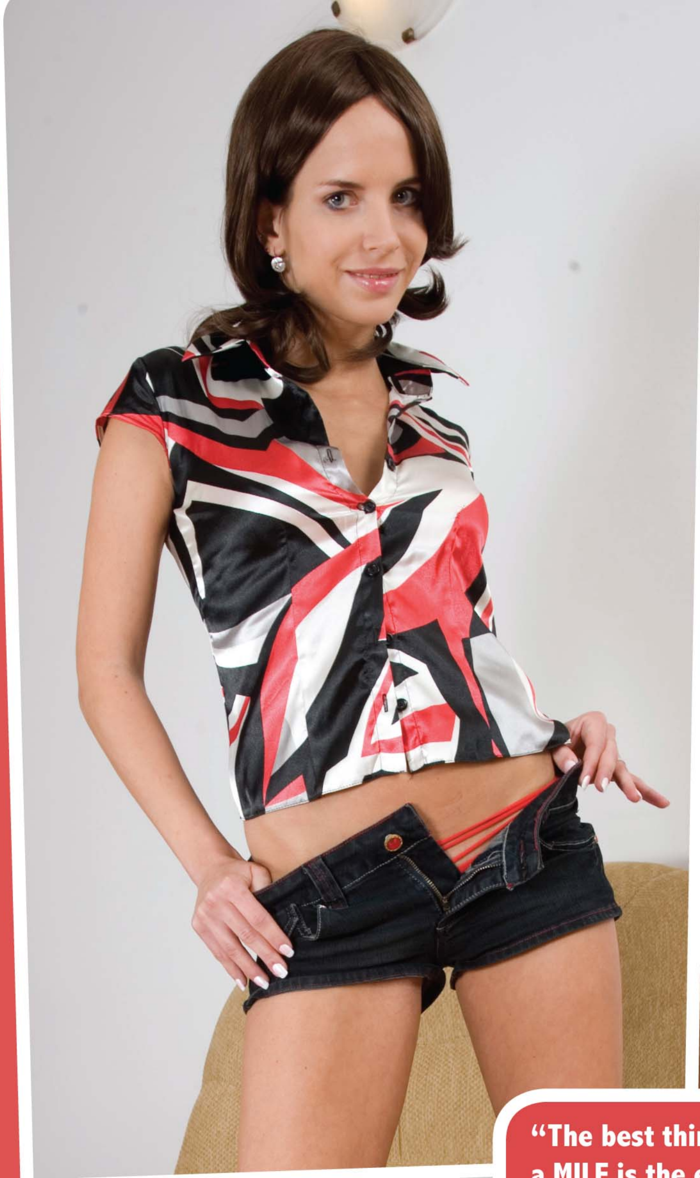
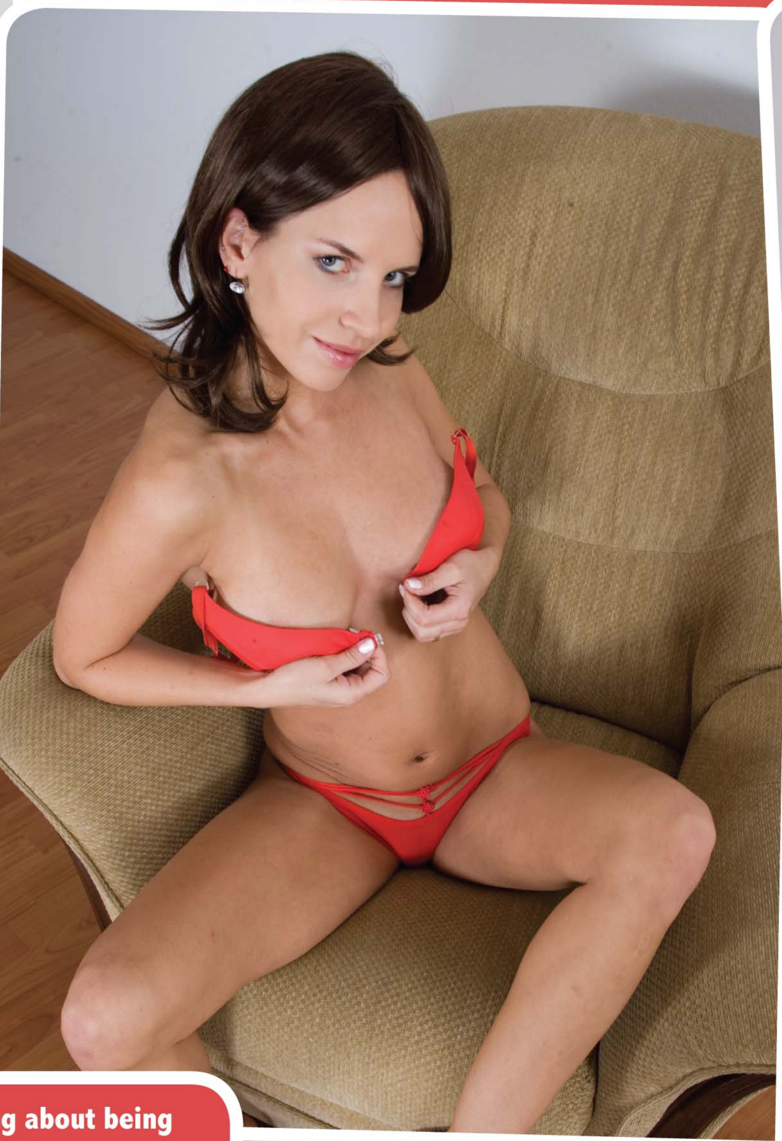
SUCK STOP

Linda and I love reading your magazine and she was getting so horny looking at all the ladies in your mag that she told me she wanted to go out in the car for some outdoor fun.
The dual carriageway was fairly quiet so she told me to get my cock out and wanked me off as we drove, telling me how horny she was.
We noticed a lorry up ahead of us and she told me she was going to flash at the driver.
She got on her knees on the passenger seat and started to suck my cock, sticking her arse and pussy up to the window, giving the driver a good look. He must have liked what he saw as he honked his horn.
This got her even hornier as she gushed her cum all over my probing fingers. I asked her if she wanted to fuck him and she let out a moan as she swallowed my cock right down to my balls.
We pulled into a lay-by and the trucker followed. She carried on sucking me off as the driver approached.
He opened the door crouched down and stuck his face into her pussy, licking and sucking her big pussy lips, as she gushed all over him.
We then took her up the side of the lorry and fucked her at both ends, swapping over till we were ready to spunk, all over her face and tits. She ate it all up.
She says her next fantasy is to suck and fuck with a black girl who we hope to meet through your mag.
Jimmy & Linda, Worksop.





"The best thing about being a MILF is the endless queue of younger men drooling at my feet, begging for me to share my vast fucking experience with them." Alex tells us. "You could say that I've got a bit of a reputation as the town cougar, prowling the streets for fresh meat. The other weekend I found myself two willing 18-year-old volunteers to DP me. I found out afterwards that they were both virgins!"

At the time of going to print the US was on the eve of naming the next President of the United States. We don't often get two 18-year-olds in one issue of Razzle, but this month we've hit the jackpot! "I'm very sexually active!" Clarissa revealed to us. "Some people have to drink a cup of coffee in the morning, but for me I can't function unless I've had a stiff cock inside me or I've fucked myself with one of my many dildos!" Sounds like the kind of girl we'd like to wake up next to!

Chloe's parents foolishly believe that butter wouldn't melt in their daughter's mouth! "If only they knew how much I enjoy sticking cocks in my gob, the bigger they are, the better!" She told us. "And once I've taken a big cock all the way down my throat, lubricating it with my spit, I spread my legs and take it all the way in, balls deep!"

Kylie & Johnny

As soon as I met Kylie at work and started to see a fair bit of her, I knew my other half, Johnny, would fancy the knickers off her. At first, I decided they should never meet, no matter what, or it would only end in tears.

But as my own girl-crush on her got more passionate, I fantasised about her taking his cock. Perhaps that was the only way I could make the leap to lesbian sex – to make it seem like I was lusting over Johnny just as much as I was over her. Maybe I was more repressed than I thought!

One night, after a few drinks in our work local, I was showing her his picture and told her she was his type.

And we came up with this twisted idea of "honeytrapping" him – her chatting him up, then bringing him back home to hers where I'd be waiting. Not for a confrontation but a threesome. Just the thought of it had my mouth dry, my palms moist, and my pussy even wetter!

Turns out he was more faithful than I'd expected. I got a text from Kylie, saying he was having fun flirting, but had made it clear he had a girlfriend. I told her to give me time to get there, then really throw herself at him. So I walked in to find her wrapped around him, and the poor sod almost shat himself!

A double whisky and an explanation soon calmed him down and while he sipped his drink, me and Kylie flirted and even snuck a little snog – my knickers were sodden with my juices by now. Then we went back to Kylie's. By now all three of us were up for it and very horny.

Johnny wanted to see more of the lezzie show, but I said I'd rather watch the two of them. Nadia said fair play, this setup was my doing so I should get what I wanted, so I sat on the bed as she writhed under him, still in her sexy undies.

He'd only stripped to the waist, but she got his trousers undone, and his cock was tenting the front of his boxers right out, looking like it would rip a hole in the fabric. He was sucking her through her bra, leaving wet patches and stiff, sticky-up nipples. And she was rubbing herself against him, desperate for him to give her cunt a bit of attention, but he made her wait.

In the end, he grabbed the front of her knickers and pulled them tight into her slit, sawing them against it. She bucked so

> **"grabbed the back of my hair, pulling my mouth onto her soaking hole"**

> **"his cock was tenting the front of his boxers right out, looking like it would rip a hole in the fabric"**

they slipped to one side, then moved his hand so his fingers found her hole, and she let out this really slutty-sounding sigh of pleasure.

I giggled – I couldn't help myself – and he said I should hear myself sometimes.

"Just shut up and fuck her," I told him, and we all used this "break" as an excuse to get totally naked.

Kylie handed me one of her dildos, so I could frig off while I watched them. It was a vibrating one but I left it switched off – I just wanted the feel of a big solid cock playing up against me, just like she'd be getting.

I saw some horny sights but

weirdly, the one that really got to me was just before they started shagging, that “no going back” point, where Kylie lay back, pussy spread and opened up wide, and Johnny knelt in between her legs, cock as hard as it ever got and ready to thrust up her, a gleam of pre-cum on his glans.

I just wanted to grab hold of it, wank it and then stuff it in her wet cunt, and as I thought about it and just touched the tip of the dildo to my clit, I had like a mini-orgasm.

But I just let them do it their way, sucking in a breath as I watched his prick slip inside. He was filling her right up – the rim of her cunt was all tight and shiny. But she was so wet that taking him was easy. I was fascinated watching her lips cling to the sides of his stiff cock as he pumped in and out of my pal.

I slid the dildo in myself, and only took a few strokes to cum, so full-on this time that Johnny stopped mid-thrust so he and Kylie could watch me. Then my pussy kept on throbbing round the big rubber cock inside it as they started humping again.

Kylie’s nipples were like little ripe berries, and my mouth watered as Johnny sucked on one. Then, when he switched over to the other one, I couldn’t resist any longer, tasting his hot wet mouth on it as I tongued the little bud.

I was on my hands and knees, with the toy still jammed in my cunt, and Johny reached behind me, fondling my cheeks, then grabbed hold of it, pumping it in and out as he fucked my friend.

His other hand was frigging Kylie’s clit and hitting the right spot, going by the way her body spasmed on the bed. Then I think it all caught up with him. Burying the dildo inside me, he fucked into her hard and fast, his arse tightening rock hard as he lost his load.

He pulled out, dripping wet and I helped myself to a suck, even though he was so sensitive he almost hit the roof. Kylie was all splayed out and floppy, but I knew she’d soon come round when I started licking her.

This was my first lezzie fuck in a long time, so I felt a bit nervous, lapping at the sides of her snatch first. But she’d put up with enough teasing from Johnny, and grabbed the back of my hair, pulling my mouth onto her soaking hole. I dipped my tongue, drinking down her juices and Johnnys cum, and used a fingertip to tease her arsehole.

She told me to finger her deeper, moaning how she loved it in the arse.

“Now you’re telling me!” groaned Johnny.

He wasn’t capable of fucking either of us anyhow right then,

> **“He pulled out, dripping wet and I helped myself to a suck”**

but he pulled the dildo from my cunt, used my juices and spit to lube me up, then slipped it up in my arse.

As he pumped it and fingered my clit – he knows what I like! – I was slurping away at Nadia’s cunt. She was cumming like mad, humping my face, and finally pulled it hard up against her till the power of her orgasm unleashed itself into my mouth and nose. I gasped as my passages were flooded with her hot sweet cream. So sexy!

Johnny’s cock got plenty of honey from our little honey trap, but one dick can only do so much for two girls. Good thing we had our tongues and fingers and Kylie’s toys to play with too! If Johnny’s good, I’ve promised him we’ll go back!

Belle, Preston.

GOOD LAY-BY

My hubby and I had a weekend away recently, having plenty of sex in all sorts of places: on the beach, in the woods, in the pub car park, a real good sexy weekend all round!

On the way home I was still feeling horny so I asked my hubby to pull over at the next lay-by. I took my knickers off and told him to come round my side of the car and lick my pussy.

I opened the car door and sat sideways on the seat. He knelt down in front of me and sucked away. I came quite quickly and screamed loudly. When I opened my eyes there was another driver standing there – we hadn't noticed a lorry pull up behind us.

The driver had been standing there watching us and from the bulge in his trousers he had enjoyed what he had seen. His name was Frank and when I told him I would love to suck his cock he invited me, and hubby Brian into his cab.

There wasn't a lot of room in the cab, but we managed. As he was a long distance lorry driver there was a bed in there. I sat down and unzipped his pants and pulled his big cock out. I began to suck him off; while I was doing this Brian had spread my legs and had his fingers deep inside me. I was getting very wet and needed fucking. Frank lay down on his bed and I got on top of him. His cock slid deep inside me, my juices dribbling down to his balls.

Brian put his cock in my mouth and I sucked on him hard. I then demanded a cock in my arse as well, so Brian came up behind me and gently eased his cock up my sexy bum hole.

As soon as his cock went inside me I came long and hard. I screamed loudly and my juices flowed wetting Frank through. We carried on fucking until both of them shot their load inside me, and when this happened I came again.

I still wasn't satisfied and asked if one of them would fist fuck me. Frank got there first and eased his fingers into me gently, pushing them deeper into me until he had managed to get his whole fist up there. While he gently fist fucked me, Brian twiddled my clit and we carried on like this until I came again.

My juices splashed out of me wetting his bed but I was loving it and didn't care.

We swapped phone numbers and when he's next in our neck of the woods, he said he'll ring and we can pick up where we left off. I can't wait.

Dee, Lancs.

Ted & Me!

Lucky fucker

“Then I just lay there, wetting my nipples with cunt cream and tweeking them.”

While my mother was away on holiday there was an attempted break-in at her house. There was a damage to the porch, so I found a number for Ted, the bloke who did odd-jobs and building work for her, and asked could he come and board it up so it was secure. Nice bloke that he was, he fixed it good as new, and only charged me cost price, saying she was a valued customer.

I think the fact that I'd been flirting with him swung it, and the thank-you hug I gave him became a bit of a clincher.

He was older than anyone I'd been with before but one of those blokes who's just got more rugged with age! It was me who started snogging him, and as he ran his hands over my body, I got a feeling he was pretty experienced at this sort of thing.

I was wearing a fairly short skirt and he soon had his hands up the back of it, touching up my arse cheeks – they were bare because I was wearing little tanga knickers. He spread them apart, then picked me up and carried me upstairs. It did sort of worry me that he knew where Mum's bedroom was, but he promised me it was just because he'd done the house up, not done her!

We snogged again, Ted getting on top of me and dry-fucking me through our clothes. I could feel myself get wet and sticky between the thighs, and he already had a bulging bonk-on.

My skirt was riding up and the denim crotch of his jeans was rubbing right up against me, forcing my gusset into my slit and up against my clit. Then he undressed me and pulled my legs apart.

I just gave over to him as he stripped off too, pulling his T-shirt over his head and unzipping his jeans. He had a nice body on him, not perfect but sort of hornier because of that. But he had a gorgeous cock, which sprang out stiff as he pulled his pants down.

He made a move to take them off but I just grabbed him and dragged him back onto me, like I couldn't even wait for that. I reached between us and took a hold of his shaft, wanking it and playing his helmet along my slit. I didn't let him in for a few strokes, then I positioned it and let him push inside me.

We both wanted it really bad, so that first shag was fast – I gripped his body tight with my thighs which opened up my cunt even deeper.

He had quite a hairy chest leading to a line of it going down his belly, so that was rubbing against me and his thick pubes were getting all soaked and creamy with my juices. He was doing me so deep and had me spread so wide, I felt his balls up against my arse with every thrust. Then, when he hit the point of cumming, he raised his shoulders up, burying his cock right in me. He gritted his teeth, stayed still, and then I felt his prick jump in my cunt and his spunk flow out.

I hadn't cum yet and I knew he wouldn't believe me if I lied about it, but he didn't take it personally. With his dick still hard in me, he slid a hand down and frigged my clit, setting me off so that I squeezed his meaty cock with my cunt.

“This prick, that felt so big and stiff in my cunt, seemed even more huge in my mouth.”

He didn’t have to be anywhere else for ages, so we just messed around on the bed. His fingers would make my clit tingle and just keep going, until I’d cum. But I’d rarely get a minute before they were creeping between my thighs again.

It also seemed like the first time he’d brought me off had been enough for him to know exactly what I liked.

Of course, I gave his prick plenty of attention too – caressing it gently then wanking it more firmly as I licked the inside of his ear. Then he asked me would I use my mouth a bit lower down, so I lapped and nuzzled my way over his chest and belly.

This prick, that had felt so big and stiff in my cunt, seemed even more huge in my mouth – filling it so my lips were at full stretch. It tasted of me as well as him, and though I couldn’t manage to suck it right down to the hilt, he seemed to like having the attention on his helmet anyway. At first, I just planned to suck him to hardness again for another fuck, but I got so carried away I just kept on.

Ted got me to move around so that my fanny was over his mouth, my juices soaking his lips as he tongued my clit with gentle flicks. Then he started licking me deep, grabbing and fingering my arsehole. The harder he ate me, the more I sucked him and so it went on. OK, I had to cool things off a couple of times – I wanted to be the first one to cum this time. I got my wish – my cunt was soon pincering around his tongue, then rippling. So I now I gave him all I had, felt the tell-tale jump and then gulped his salty load down my throat.

I let him cum the last of it over my tongue, then licked it over my lips. Then I just lay there, wetting my nipples with cunt cream and tweaking them. He asked me did my mum have any idea I was such a dirty girl. I said I hoped not, especially as I wasn’t done yet.

Neither was he. After a bit of lazing about then another rollaround on the bed, he positioned me on all fours. I was wet and puffed-up from all the fun we’d already had, and his cock seemed huger than ever and red-hot inside my snatch. Then he asked me if he could do me up the arse.

It’s not something I do with every bloke but I knew I could trust this one to know what he was doing.

I worried about the size of him, but he spent ages wetting me with spit and juices. Then he eased in, just a little bit at a time, opening me up so gently and gradually, I was shocked to realise he was in to his balls.

It wasn’t like when he’d fucked me hard in the cunt – he just enjoyed the feel of my arse around his cock, moving gently and playing with my clit to bring me even more pleasure. His fingers on my clit got me cumming almost instantly, then as my muscles slackened right afterwards, he was able to fuck gently in and out until he spunked.

When Mum got home I told her about the repair job, and she said Ted was a good bloke. I didn’t mention how good he’d been at filling all three of my holes!

Lasey Bowen started the hairy revolution in Razzle Magazine just under a year ago and she's back by popular demand! "It was so re-assuring hearing from all of your readers, telling me that they loved my hairy pussy and quite a few of them left me blushing when they told me what they'd like to do to me. I thought it was only fair to give those lovely chaps, and girls, another peak at my growler. I hope they enjoy it! and make sure you send me your letters, they really turned me on"

A French Affair

When you think of Paris, romance, the Eiffel Tower and possibly even frogs legs spring to mind, A French Affair looks every bit the Parisian part with a darker edge as a prohibited affair is uncovered, and the boss is none too happy. The opening scene sees Nikita Bellucci receiving some well-deserved DP from a couple of meaty monsters, and finishing off with a spunky shower that Bellucci laps up well. And that's just the start folks, by the time we reach scene four if you've got any lead left this will certainly drain you. The ultimate sex party takes places with four of the female stars who are plundered in every way possible. With five scenes to choose from, you'll not be disappointed.
